

IV. PRIVATE SCHOLARSHIPS

The SEO is dedicated to helping the District of Columbia residents finance and complete their higher education; however, grant awards such as the DCTAG, DCLEAP, and the DC Adoption Scholarship only provide supplemental assistance. Therefore, the SEO has developed a database of scholarship resources for DC students to explore for additional financial assistance.

This database offers our applicants another tool to assist with financing their college education. To review the database of scholarships for DC residents, visit www.seo.dc.gov, or see page 71.
